DETAILED ACTION

1. This Office action is responsive to Applicant's submission filed on August 15, 2006.
Claims 1-13, 15-39 and 47-49 are now pending.

Response to Amendment

2. Claims 40-46 and 50 are canceled. Accordingly, all outstanding rejections set forth in the Office action mailed on July 26, 2006 are withdrawn.

Allowable Subject Matter

3. Claims 1-13, 15-39 and 47-49 are allowed.
4. The following is an examiner's statement of reasons for allowance, as set forth in the Office action mailed on July 26, 2006.

The prior art of record does not teach or suggest, in the manner and combination recited in each of independent claims 1, 13, 37 and 47, given a speculation boundary that corresponds to an operation upon which other operations depend, wherein the operations define or form dependency chains or addressing chains, scheduling duplicates or copies of the operations from the chains above the speculation boundary and above an operation that leads to a likely stall or a likely cache miss. Accordingly, dependent claims 2-12, 15-36, 38, 39, 48 and 49 are allowable for the same reasons.

5. Any comments considered necessary by Applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
